At the **heart** of all things **local**

Every month the **Chew Valley Gazette** delivers a mix of **local news, information and entertainment** that has made it a must have read for local residents. In addition it has dedicated platforms for **property, motors, jobs and gardening**, plus various seasonal promotions.

Our **up-market** and **affluent** audience spend an average of 38 minutes reading their copy of the paper.

CREATIVE DESIGN SERVICE

As one of our valued customers, you are able to **take advantage of our in-house agency standard design team - Create - at no extra charge.**

Our team of talented multi-media designers can help you deliver creative solutions in print

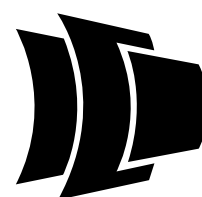

and online. Our designers can provide you with a variety of ideas for advertising campaigns, features, websites and online graphics that are persuasive and visually powerful. They can offer help and assistance right through the design process combining strong technical knowledge and targeted creativity that delivers results.

To discuss your advertising requirements or to find out more information please contact Alison Colston on 01275 332266 or email advertising@chewvalleygazette.co.uk
